

APPEAL NO. 041192
FILED JULY 8, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 13, 2004. The hearing officer determined that respondent/cross-appellant (claimant) sustained a compensable injury on _____; that the injury did not extend to the low back; that the claimed injury was not caused by claimant's willful intention or attempt to injure himself; and that claimant had disability from October 23, 2003, through December 28, 2003. Appellant/cross-respondent (carrier) appealed the determinations regarding compensability, disability, and willful intent on sufficiency grounds. Claimant responded that the hearing officer did not err in determining that he sustained a compensable injury and that the claimed injury was not caused by claimant's willful intention or attempt to injure himself. Claimant appealed the determinations regarding disability and extent of injury. Carrier responded that claimant did not sustain a compensable injury at all or have any disability, and that there was no error in the determination regarding extent of injury.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986). Regarding claimant's complaint that the hearing officer did not mention certain evidence, the hearing officer was not required to set forth all of the evidence. No reversible error has been shown.

We affirm the hearing officer's decision and order.
